AND WHEREAS there is a need to provide local government with access to a sufficient and buoyant source of revenue necessary to fulfill its developmental responsibilities;

AND WHEREAS income derived from property rates is a critical source of revenue for municipalities to achieve their constitutional objectives, especially in areas that have been neglected in the past due to racially discriminatory laws;

AND WHEREAS it is essential that municipalities exercise their power to impose rates within a statutory framework that not only enhances certainty, uniformity and simplicity across the nation, but also takes into account historical imbalances and the rates burden on the poor;

(2) Section 3 (3) to (6), read with the necessary changes as the context may require, apply to any amendment of a rates policy. Community participation in amendments to a rates policy must be effected through the municipality’s annual budget process in terms of sections 22 and 23 of the Municipal Finance Management Act.

6. By-laws to give effect to rates policy.—(1) A municipality must adopt and publish by-laws, in terms of sections 12 and 13 of the Municipal Systems Act, to give effect to the implementation of its rates policy.

[Sub-s. (1) substituted by s. 4 of Act No. 29 of 2014.]

(2) By-laws in terms of subsection (1) may differentiate between—

- (a) different categories of properties; and
- (b) different categories of owners of properties liable for the payment of rates.

Part 2: Levying of rates

7. Rate to be levied on all rateable property.—(1) When levying rates, a municipality must, subject to subsection (2), levy rates on all rateable property in its area.

[Sub-s. (1) substituted by s. 5 of Act No. 29 of 2014.]

(2) Subsection (1) does not—

- (a) oblige a municipality to levy rates on—

- (i) properties of which that municipality is the owner;
 - (ii) public service infrastructure;
[Sub-para. (ii) substituted by s. 26 of Act No. 19 of 2008.]
 - (iii) properties referred to in paragraph (b) of the definition of "property" in section 1; or
 - (iv) properties in respect of which it is impossible or unreasonably difficult to establish a market value because of legally insecure tenure resulting from past racially discriminatory laws or practices; or
- (b) prevent a municipality from granting in terms of section 15 exemptions from, rebates on or reductions in rates levied in terms of subsection (1).

8. Differential rates.—(1) Subject to section 19, a municipality may, in terms of the criteria set out in its rates policy, levy different rates for different categories of rateable property, determined in subsection (2) and (3), which must be determined according to the—

- (a) use of the property;
- (b) permitted use of the property; or
- (c) a combination of (a) and (b).

(2) A municipality must determine the following categories of rateable property in terms of subsection (1): Provided such property category exists within the municipal jurisdiction:

- (i) properties used for multiple purposes, subject to section 9; or
- (j) any other category of property as may be determined by the Minister, with the concurrence of the Minister of Finance, by notice in the *Gazette*.

(3) In addition to the categories of rateable property determined in terms of subsection (2), a municipality may determine additional categories of rateable property, including vacant land: Provided that, with the exception of vacant land, the determination of such property categories does not circumvent the categories of rateable property that must be determined in terms of subsection (2).

(4) (a) Where a municipality can, on good cause, show that there is a need to sub-categorise the property categories listed in subsection (2), a municipality must apply to the Minister in writing for authorisation to create one or more of such sub-categories.

(b) Such application must—

- (i) be accompanied by a motivation for such sub-categorisation;
- (ii) demonstrate that such sub-categorisation is not in contravention of section 19; and
- (iii) reach the Minister at least 15 months before the start of the municipal financial year in which the municipality envisages levying a rate on such sub-categorised property.

[S. 8 substituted by s. 6 of Act No. 29 of 2014.]

9. Properties used for multiple purposes.—(1) A property used for multiple purposes must, for rates purposes, be assigned to a category determined by the municipality for properties used for—

[Para. (a) substituted by s. 27 of Act No. 19 of 2008.]
- (b) a purpose corresponding with the dominant use of the property; or
- (c) multiple purposes in terms of section 8 (2) (i).

[Para. (c) substituted by s. 7 of Act No. 29 of 2014.]

(2) A rate levied on a property assigned in terms of subsection (1) (c) to a category of properties used for multiple purposes must be determined by—

- (a) apportioning the market value of the property, in a manner as may be prescribed, to the different purposes for which the property is used; and
- (b) applying the rates applicable to the categories determined by the municipality for properties used for those purposes to the different market value apportionments.

10. Levying of rates on property in sectional title schemes.—(1) A rate on property which is subject to a sectional title scheme must be levied on the individual sectional title units in the scheme and not on the property as a whole.

(2) Subsection (1) must be read subject to section 92.

11. Amount due for rates.—(1) A rate levied by a municipality on property must be an amount in the Rand—

- (a) on the market value of the property;
- (b) in the case of public service infrastructure, on the market value of the public service infrastructure less 30% of that value as contemplated in section 17 (1) (a), or on such lower percentage as the Minister may determine in terms of section 17 (4); or
- (c) in the case of property to which section 17 (1) (h) applies, on the market value of the property less the amount stated in that section, or on such other amount as the Minister may determine in terms of section 17 (3).

(2) A rate levied by a municipality on residential properties with a market value below a prescribed valuation level may, instead of a rate determined in terms of subsection (1), be a uniform fixed amount per property.

(2) The levying of rates must form part of a municipality's annual budget process as set out in Chapter 4 of the Municipal Finance Management Act. A municipality must annually at the time of its budget process review the amount in the Rand of its current rates in line with its annual budget for the next financial year.

(3) A rate levied for a financial year may not be increased during a financial year as provided for in section 28 (6) of the Municipal Finance Management Act.

[Sub-s. (3) substituted by s. 9 of Act No. 29 of 2014.]

13. Commencement of rates.—(1) A rate becomes payable—

- (a) as from the start of a financial year; or
- (b) if the municipality's annual budget is not approved by the start of the financial year, as from such later date when the municipality's annual budget, including a resolution levying rates, is approved by the provincial executive in terms of section 26 of the Municipal Finance Management Act.

(2) Subsection (1) does not affect the application of sections 17 (2) (b) and (c) and (5) (b) and (c), 55 and 78 (4).

14. Promulgation of resolutions levying rates.—(1) A rate is levied by a municipality by resolution passed by the municipal council with a supporting vote of a majority of its members.

(2) (a) A resolution levying rates in a municipality must be annually promulgated, within 60 days of the date of the resolution, by publishing the resolution in the *Provincial Gazette*.

[Sub-s. (2) amended by s. 11 (a) of Act No. 29 of 2014.]

(2A) In addition to the categories of rateable property determined in terms of section 8 (2), a municipality may, subject to any ratio determined in terms of section 19, for the purposes of granting exemptions, rebates and reductions, determine such property categories based on—

- (a) properties used for public service purposes; and
- (b) properties to which the provisions of the National Heritage Resources Act, 1999 (Act No. 25 of 1999), apply, or an institution that has been declared to be subject to the Cultural Institutions Act, 1998 (Act No. 119 of 1998).

[Sub-s. (4) amended by s. 28 of Act No. 19 of 2008.]

Part 3: Limitations on levying of rates

16. Constitutionally impermissible rates.—(1) In terms of section 229 (2) (a) of the Constitution, a municipality may not exercise its power to levy rates on property in a way that would materially and unreasonably

prejudice—

- (a) national economic policies;
- (b) economic activities across its boundaries; or
- (c) the national mobility of goods, services, capital or labour.

(2) (a) If a rate on a specific category of properties, or a rate on a specific category of properties above a specific amount in the Rand, is materially and unreasonably prejudicing any of the matters listed in subsection (1), the Minister, with the concurrence of the Minister of Finance, must, by notice in the *Gazette*, give notice to the relevant municipality or municipalities that the rate must be limited to an amount in the Rand specified in the notice.

[Para. (a) substituted by s. 12 of Act No. 29 of 2014.]

(b) A municipality affected by a notice referred to in paragraph (a) must give effect to the notice, the effective date of which must be from the date determined by the Minister in the notice.

(b) If the Minister is convinced by the evidence referred to in paragraph (a) that a rate on any specific category of properties, or a rate on any specific category of properties above a specific amount in the Rand, is materially and unreasonably prejudicing any of the matters listed in subsection (1), the Minister must act in terms of subsection (2).

(4) A notice issued in terms of subsection (2) must give the reasons why a rate on the relevant category of properties, or a rate on the relevant category of properties above the amount specified in the notice, is materially and unreasonably prejudicing a matter listed in subsection (1).

(5) The Minister, after consultation with the Minister of Finance, may by notice in the *Gazette* issue guidelines to assist municipalities in the exercise of their power to levy rates consistent with subsection (1).

17. Other impermissible rates.—(1) A municipality may not levy a rate—

Such a committee must be a subcommittee of the ward committee or committees in the area, if the municipality has a ward committee or committees in the area.

(4) This section may not be used to reinforce existing inequities in the development of the municipality, and any determination of a special rating area must be consistent with the objectives of the municipality's integrated development plan.

- (i) hold any one of the joint owners in terms of paragraph (a) liable for all rates levied in respect of the agricultural property concerned; or
- (ii) hold any joint owner only liable for that portion of the rates levied on the property that represents that joint owner's undivided share in the agricultural property.

25. Payment of rates on property in sectional title schemes.—(1) A rate levied by a municipality on a sectional title unit is payable by the owner of the unit or the holder of a right contemplated in section 25 or 27 of the Sectional Titles Act.

(b) the Minister may fully or partially exempt a municipality from the obligation to value properties excluded from rates in terms of section 17 (1) (e), (g) and (i) if the municipality can demonstrate that the valuation of those properties is too onerous for it, given its financial and administrative capacity.

[Sub-s. (2) amended by s. 18 (a) of Act No. 29 of 2014.]

(3) All properties valued in terms of subsection (2) must be included in the valuation roll: Provided that properties referred to in sections 7 (2) (a) (i) and (ii) and 17 (1) (e), (g) and (i) must be included in the valuation roll whether they have been valued or not.
